My Projects

Figma Projects : Furnid, M&T, LoveyDO, BETOUR, PetDairy, PcThrift, E-market

Web Development : Furnid, M&T, KpopZtation, PcThrift

Furnid

Description: Is a website that help customer to find the best furniture by displaying a unique yet aesthetic furniture that customer must have.

Detail Information: This website is developed using HTML,CSS, Figma with 3 page that had been created : Home, About us, and Login Page, with responsive website and not fully interactive in Figma.

Role : UI/UX Designer, Web Developer.

Image :

The screenshot shows the FURNID website. At the top, there's a navigation bar with the logo 'FURNID', a search bar, and links for 'Login' and 'About Us'. Below the header is a large image of a modern living room with a sofa, a coffee table, and a potted plant. Underneath this main image are six smaller cards, each featuring a product photo, its name, and price:

- Comfy Wooden Chair Rp.350.000
- Fluffy Sofa Set + Tv Table Rp.5.500.000
- Grey Bed (2 pillows + 2 bolsters) Rp.1.200.000
- Office Desk Rp.750.000
- Wooden Dining Table Rp.800.000
- Striped Comfy Sofa Rp.650.000

On the left side of the page, there's a sidebar with the heading 'Explore FURNID' and a list of categories: Bedroom, Kitchen, Family Room, Kids Room, and Bathroom. In the center, the tagline 'Everything Will Be Provides Well' is displayed. On the right side, there's a 'Follow us' section with icons for Facebook, Instagram, and Twitter, and a contact number 'Contact us at: 08732419914'.

M&T

Description: Is a website that sell branded clothes and help customer to find their interest at online shopping using M&T web.

Detail Information: This website is developed using HTML,CSS, JS, Figma with 5 page that had been created : Home, Clothes(Store), About us, Location, and Subscription Page, with not fully responsive website and less interactive in Figma.

Role : UI/UX Designer, Web Developer.

Image :

The screenshot shows the M&T website. At the top, there's a header with the logo 'M&T', a search bar, and icons for search, home, and user profile. Below the header is a large image of the M&T logo. To the right, there are three smaller images of male models wearing different clothing items: a white shirt with a patterned vest over it, a white long-sleeved button-down shirt, and a grey long-sleeved button-down shirt. At the bottom left, there's a large text overlay that reads 'Popular men's Fashion Style ->'.

LoveyDo

Description: Is a website that help customer to find their best wedding place that will be a wonderful memory.

Detail Information: This design is developed using Figma with 7 page that had been created : Home, Booking & Payment, Detail, Category, Chat Box, Login, and Register Page, with not fully interactive in Figma.

Role : UI/UX Designer.

Image :

The screenshot displays the LoveyDo website interface. At the top, there is a navigation bar with links for About Us, Customer Support, Location, Subscription, Social Media, and a search bar. Below the navigation bar, there are two main sections: 'Recomendation' and 'Based From Searching'. Each section contains a grid of eight cards, each representing a different wedding venue with a thumbnail image, name, location, price, and a 'View Details' button. The 'Recomendation' section includes venues like Kingstone Wedding Venue, Deluxe Edition Wedding Venue, Elite Edition Wedding Venue, Venture Wedding Venue, Premium Wedding Venue, Outer Edition Wedding Venue, Triumph Wedding Venue, and Mega Wedding Venue. The 'Based From Searching' section includes venues like Ioniy Wedding Venue, Golden Edition Wedding Venue, Nature Edition Wedding Venue, Venture Wedding Venue, Southern Wedding Venue, Outer Edition Wedding Venue, Falvales Wedding Venue, and Ultima Wedding Venue. At the bottom of the page, there are social media links for WhatsApp, LINE, Twitter, Instagram, and Facebook, along with a phone number (08761234564) and a contact form labeled 'WeddingLoveyDo Corps'.
